Santiago Lopez Viñao

Multiplatform & Web App Development student (DAM/DAW)

PROFILE

DAM/DAW student at Universae with a foundation in HTML, CSS and JavaScript. I come from five years in hospitality and administration, where I led small teams, handled cash, stock and reservations, and looked after high-profile international guests. I'm looking for an internship or a first junior role where I can bring organisation, communication and a customer focus while I grow as a developer.

EDUCATION

Multiplatform & Web App Development (DAM/DAW) · Universae · Barcelona — In progress – 2028

PROJECT

Personal portfolio · Own website, deployed on Vercel · code on GitHub

- Single-page site with scroll-driven animations, a mobile menu and a contact form with spam protection (hCaptcha + Web3Forms).
- Performance work (self-hosted font and icons, caching), SEO (structured data, sitemap) and accessibility (keyboard navigation, reduced-motion support).

SKILLS

Development	HTML, CSS, JavaScript
Tools	GitHub, Vercel, Opera Cloud (PMS), POS, Canva, Adobe Premiere
Languages	Spanish (native), English (B2)
